End Early Stage 1 English – Information Report – Above the expected standard

Grade Commentary

Jules has demonstrated an excellent awareness of the features of an information report. Pronouns and descriptive language have been appropriately used. The letter formation and spacing between words is good. Capital letters and full stops have been correctly used, and there is evidence of the use of a variety of spelling strategies. To progress further, Jules should group together similar information about features of the animal.

Jules’s response demonstrates characteristics of work typically produced by a student performing above the expected standard.
