End Early Stage 1 English – Information Report – Above the expected standard

Grade Commentary

Mackenzie has demonstrated an excellent awareness of the features of an information report. The scaffold has been well used and descriptive and technical language has been included. Simple and complex sentences have been used. Upper-case and lower-case letters have been correctly produced, but Mackenzie needs to use commas when listing information, the inclusion of sight words and copied text.

Mackenzie’s response demonstrates characteristics of work typically produced by a student performing above the expected standard.
