Grade Commentary

Pat has demonstrated an adequate awareness of the features of a recount. Ideas have been appropriately sequenced and past tense has been consistently used. Attempts have been made to use conjunctions to add information, and emotive language has been used to convey feelings. There is good directionality and spacing between words. Letter formation is generally correct but there is some confusion in the use of the letters ‘b’ and ‘d’. A variety of strategies have been used to spell words, and copied text has been included. To develop further, Pat needs to elaborate on the event and work on letter formation and the correct use of punctuation, particularly full stops.

Pat’s response demonstrates characteristics of work typically produced by a student performing at a grade At ES standard.
