Demonstrates a basic awareness of the features of a recount. Past tense has been used and conjunctions link the ideas.

Grade Commentary

Reese has demonstrated a basic awareness of the features of a recount but the concluding statement is not appropriate and most upper-case and lower-case letters have been correctly produced. Simple punctuation has been accurately used, and a variety of strategies including phonemic awareness and copying, have been used to spell words. To develop further, Reese needs to build simple sentences and use a full stop at the end of each idea.

Reese’s response demonstrates characteristics of work typically produced by a student performing at a grade Below ES standard.
