Grade Commentary

Indra has demonstrated sound knowledge and understanding of the structure of a recount. Events have been well sequenced and there is consistent use of past tense, but paragraphs have not been used. An adequate variety of sequencing words have been used but there is little variation in the use of conjunctions, and adverbs have not been used. There is adequate use of punctuation and spelling despite some run-on sentences and confusion with homophones. The handwriting is legible but not consistent in slope nor on the line.

Indra’s response demonstrates characteristics of work typically produced by a student performing at a grade C standard.
