Grade Commentary

Jessie has demonstrated sound knowledge and understanding of the structure and features of a recount. There is an adequate level of skill in sequencing events and using suitable grammatical features and conventions. The sentence beginnings are varied but the use of tense is inconsistent and there is some inappropriate punctuation. There is evidence that Jessie has applied a variety of strategies to spell common words but the handwriting is inconsistent.

Jessie's response demonstrates characteristics of work typically produced by a student performing at a grade C standard.
