End Stage 1 English – Procedure – Grade A

HOW TO KICK A SOCCER BALL

What you need:
A soccer ball, a grassy area, a pair of runners, or soccer boots, and some energy.

What to do:
1. Find a big grassy area and place the ball on the grass.
2. Take three to four steps back to get a run up.
3. Watch the ball carefully.
4. Take your run up and add the kick in.
5. When you’re near the ball place the foot you don’t kick with next to the ball.
6. Kick the ball into the direction you want to go with the inside of your foot.

There is a very high level of competence in the way steps have been sequenced and explained using common writing conventions appropriate to this type of text.

Grade Commentary

Jerry has demonstrated extensive knowledge and understanding of the structure and conventions of a procedure. Action verbs, commands and adverbial clauses have been used effectively and there is consistently accurate spelling of high frequency words.

Jerry’s response demonstrates characteristics of work typically produced by a student performing at a grade A standard.
