What we need: 
vege mite 
biscute

what we need: 
vegemite, butter, 
biscute, plate, knife

What we do:
1. get the biscuits;
2. spread the butter on the biscuits
3. then spread the vegemite on the biscuits
4. put the biscuits on top of each other;
5. eat the biscuits.

This is a presega

Grade Commentary

Jessie has demonstrated sound knowledge and understanding of the structure and features of a procedure. There is adequate use of language, and a diagram has been used to show the end product. Commands have been used and numbers indicate the sequence. A good attempt has been made at spelling unfamiliar words.

Jessie’s response demonstrates characteristics of work typically produced by a student performing at a grade C standard.
