End Stage 1 English – Procedure – Grade C

Name

How to play snakes and ladders:
1. Get a board with numbers on it.
2. Get two rocks and dice.
3. Throw the dice and move it to the number it lands on.
4. If you land on a ladder, go up the bottom of the ladder.
5. If you land on top of a snake, go down it.

Incomplete text as it is missing the list of materials. Instructions are clear and numbers are used to show sequence.

Grade Commentary

Morgan has demonstrated sound knowledge and understanding of the structure and features of a procedure but the text is incomplete as it is missing the list of materials. Most instructions begin with verbs, and numbers have been used to indicate the sequence. A sound understanding of commands has been demonstrated and there is evidence of self-correction but some punctuation is missing.

Morgan’s response demonstrates characteristics of work typically produced by a student performing at a grade C standard.
