End Stage 1 English – Procedure – Grade B

**HOW TO KICK A SOCCER BALL**

What you need:
- A grassy patch of space
- A soccer ball
- Some soccer boots
- Sun and energy

What to do:
1. Find some grass and put the ball down.
2. Take a few steps back so you can have a good run up.
3. Keep your eyes on the ball and run towards it; then place your non-kicking leg next to it.
4. Follow up with your other leg and kick the ball with the inside of your other foot.

Grade Commentary

Shannon has demonstrated a thorough knowledge and understanding of the content and structure of a procedural text. Materials have been listed, and the steps are clear and informative. The structure is correct, and commands have been used but some of the numbered steps contain more than one instruction and could be further broken down.

Shannon’s response demonstrates characteristics of work typically produced by a student performing at a grade B standard.
