Mid Early Stage 1 English – Procedure – Above the expected standard

Teach someone how to blow bubbles. Write instructions for how to blow bubbles. Draw pictures to match.

1. 

Get some mixture and a wand.

2. Put the wand in the mixture.

Grade Commentary

Terry has demonstrated a good understanding of the procedure text type. Commands have been used and the steps have been correctly sequenced using pictures and written text. Good directionality is evident. Capital letters and full stops have been used appropriately to begin and end sentences. Some letters have been correctly formed but there is confusion in the use of the letters ‘w’ and ‘y’, and some inappropriate use of capital letters mid-sentence. A variety of spelling strategies have been used but there is minimal use of sight words. To develop further, Terry should work on letter formation and increase the use of sight words.

Terry’s response demonstrates characteristics of work typically produced by a student performing above the expected standard.
