3. Cut it.
4. Eat it.

Grade Commentary

Ariel has demonstrated sound knowledge and understanding of the structure and features of a procedure. A variety of action verbs has been included and numbers have been used to sequence the steps. To progress further, Ariel could list all materials required, provide more information about the action, and use commas in the list of ingredients.

Ariel’s response demonstrates characteristics of work typically produced by a student performing at a grade C standard.
