Steps:
1. Get some corn
2. Put the go00ht in the bowl
3. Put the grape in the bowl
4. Put the banana in the bowl
5. Put in the bowl and eat

Grade Commentary

Huong has demonstrated a basic understanding of the structure and features of a procedure. The title matches the text and appropriate materials have been listed. A scaffold has been used to sequence the steps but there is little variation in the use of action verbs. The text could be enhanced by the incorporation of adverbial phrases.

Huong’s response demonstrates characteristics of work typically produced by a student performing at a grade D standard.
