Grade Commentary

Eden has demonstrated elementary knowledge and understanding of the structure and features of a narrative. A very simple complication and resolution have been included but the text has not been well structured. The vocabulary is limited and there is little variation in sentence structure. Planning and editing skills have not been demonstrated but misspelt words have been identified. To improve, Eden should revise the structure and features of a narrative.

Eden’s response demonstrates characteristics of work typically produced by a student performing at a grade E standard.
