Mid Stage 1 Mathematics – Making Number Patterns – Grade E

A pattern involving multiples of ten has been created.

The numerals have been poorly formed and the spacing between them is inadequate.

Grade Commentary

Chris has demonstrated a very limited level of competence in creating, continuing and describing number patterns. A number pattern (incomplete) has been created, and the rest of the activity has not been attempted.

This work sample demonstrates characteristics of work typically produced by a student performing at grade E standard.
